

Bangladesh Physiotherapy

Journal

Volume 10, Special Issue

[COVID-19: Respiratory Physiotherapy & Rehabilitation \(call for papers\)](#)

Bangladesh Physiotherapy Journal (BPJ)- the official Journal of Bangladesh Physiotherapy Association (<http://bpa-bd.org/bpj/>) Print ISSN: 1727-6748, Online ISSN: 2708-296 is a peer-reviewed journal published in both print and online version.

BPJ is currently planning a special issue on the topic of “COVID 19: Respiratory Physiotherapy & Rehabilitation” for publication in Volume 10: Special issue. We would welcome in particular papers relating to Respiratory Physiotherapy, Rehabilitation, and any aspect of novel Coronavirus SARS-CoV-2 (COVID-19).

Research papers (4000 words), Reviews (4000 words), Short Communication (1500 words), Letter to Editors (500 words), or any other scientific papers are open to submit to eobpa2017@gmail.com within 30th June 2020.

Find the author guideline at <http://bpa-bd.org/bpj/index.php/author-guidelines>

Please feel free to ask for any query amranphysio@gmail.com or call +8801735661492
